Thanks Nate. Appreciate the prompt follow-up., It looks like BH Sports Center won't make this round, so instead of BH Sports Center, we really want to add Pershing Square. The final list would then be Hazard Rec Center, First and Broadway, Pershing Square, and the acquisition and development of the parcel by Matthews and Soto.

Hi CD14,

I checked in with BOE in regards to the Boyle Heights Gym and there is no physical way they can complete it by the December 2021 completion date. Their schedule has them completing in late 2022 and they haven't even begun design yet. That being said, we would like to go after Prop 68 funding in the next round, expected to be released in 2020.

Finally, you asked us to evaluate Ramon Garcia and Wabash if BH Gym is not doable. We went back and evaluated both and think Ramon Garcia could do well. I spoke to Rocio briefly on Friday and she stated this would be okay, but I want to triple check and make sure.

If this okay, we will begin outreach for it. If you would like CD14 branding on the flyers, we would be more than happy to do so. If so, please send over the logos and we will get started on the flyers.

Please let me know if the above looks good. I will be reaching out to the park tomorrow to discuss meeting dates if I don't hear otherwise from you all.

Thanks!!
